Chapter 80: Total Count of All Troops and Allies the Lesser Absolutes Have

After the massive reinforcements from former enemies turned allies and the recent materialization of fallen soldiers, the lesser Absolutes-Lumiel, Umbrios, and Drakion-have amassed an overwhelming force that is reshaping the balance of power across the multiverse. Here's the total count of their troops, incorporating both their original forces and newly acquired allies.

---

1. Lumiel's Army of Light (Luxoria Eterna)

Celestial Archons: 73.725 billion

Luminara Knights: 8.3 quadrillion

Lightborn Legion: 930 quadrillion

Seraphim Riders: 36.7 billion

Solari Defenders (Enemies-Turned-Allies): 8 quadrillion

Stellar Sentinels (Enemies-Turned-Allies): 2.3 quintillion

Total for Lumiel's Army:
1.003 quintillion (original) + 2.3 quintillion + 8 quadrillion (allies) = 3.303 quintillion

---

2. Umbrios' Shadow Legion (Umbra Nexum)

Shadow Warlords: 516.125 million

Ebon Knights: 6.67 quadrillion

Nocturnal Stalkers: 1.33 quintillion

Nightshade Beasts: 21.6 billion

Abyssal Warriors (Enemies-Turned-Allies): 3.5 quintillion

Duskborn Shadows (Enemies-Turned-Allies): 1 quadrillion

Materialized Abyssal Warriors: 3 quintillion

Materialized Duskborn Shadows: 900 trillion

Total for Umbrios' Shadow Legion:
1.33 quintillion + 6.67 quadrillion + 537.725 million (original) + 7.5 quintillion (allies and materialized) = 8.83 quintillion + 6.67 quadrillion + 537.725 million

---

3. Drakion's Draconic Host (Drakarys Aeterna)

Draconian Overlords: 166.5 million

Flameborn Legionnaires: 9.3 quadrillion

Skybound Wyverns: 930 trillion

Infernal Titans: 8.3 billion

Tyrannical Wyrms (Enemies-Turned-Allies): 1.6 quadrillion

Crimson Drakes (Enemies-Turned-Allies): 700 quadrillion

Total for Drakion's Draconic Host:
9.3 quadrillion + 930 trillion + 174.8 million (original) + 2.3 quadrillion (allies) =
11.6 quadrillion + 930 trillion + 174.8 million

Ultimate Total Combined Army Count of the Lesser Absolutes:

1. Lumiel's Army of Light:
3.303 quintillion

2. Umbrios' Shadow Legion:
8.83 quintillion + 6.67 quadrillion + 537.725 million

3. Drakion's Draconic Host:
11.6 quadrillion + 930 trillion + 174.8 million

Final Combined Total:
3.303 quintillion + 8.83 quintillion + 11.6 quadrillion + 930 trillion + 537.725 million + 174.8 million

This ultimate total reflects the staggering scale of the lesser Absolutes' forces, bolstered by former adversaries turned loyal allies, and the materialized shadow soldiers from Umbrios. With their immense power and loyalty, Lumiel, Umbrios, and Drakion are poised to dominate their realms and the multiverse, solidifying their rule as the Supreme Lords of the Absolute Triad.
